Dedication

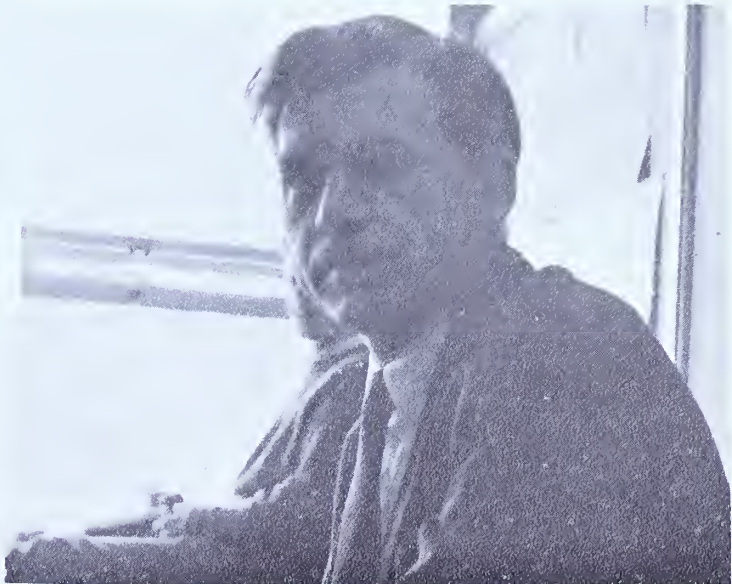

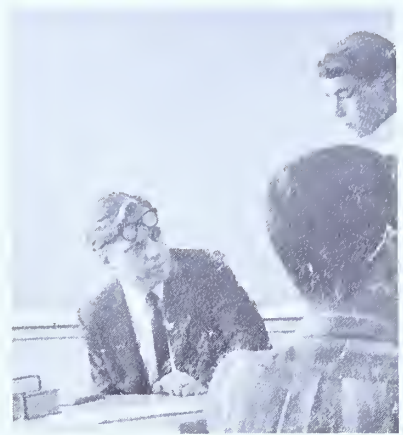

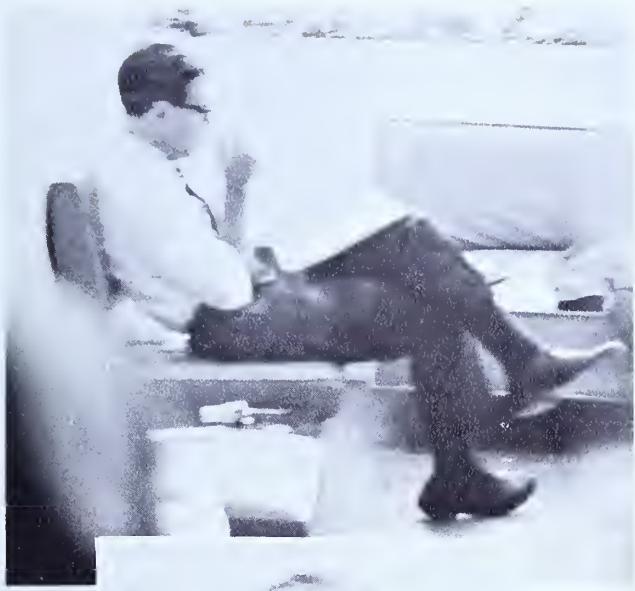

The Class of 1964 would like at this point to pause briefly and pay its respects to one teacher, who for the past two years has commanded the respect and admiration of its members. In Dr. Carl Kelley there are to be found three remarkable characteristics which make him stand out as one of the finest instructors in the history of Lick-Wilmerding: a warm and subtle wit, a formidable intellect, and a genuine desire to teach young people.

Carl Franklin Kelley was born in Pittsburgh, Pennsylvania, in 1916. After graduating from high school in 1933, he was engaged in undergraduate studies in History of Art and Architecture at Carnegie Institute. His formal academic training was obtained in Europe, where he earned two doctorate degrees, the first at the University of Berlin and the second at the German University of Prague.

Since that time Dr. Kelley has been engaged in research, instruction, and additional studies on a number of philosophical, aesthetic, and religious topics at various institutions of higher learning. He has served as educational director for work camps sponsored by the American Friends Service Commission. He has managed and edited a philosophical quarterly and published six books on philosophical and historical subjects. In addition, since 1945 he has been a writer, critic, and reviewer for Harper and Brothers.

He came to Lick in the autumn of 1962, after successful completion of a research program and two series of lectures at the University of California in Berkeley. Dr. Kelley explained his change from college to high school teaching in the following words: "I believe that reaching students of high school age is one of the most important needs of education in America. They must learn to think."

It is, therefore, with great pride and a sincere wish for the future success of his endeavors that we dedicate this yearbook to Carl Franklin Kelley, Ph. D.

Director's Message.

Among the achievement of any school year, the recording of those achievements is too seldom considered to be an integral part of each year's listings. It is certainly overdue, then, for an acknowledgment to appear in this year's **Tiger** which will credit all those who have been responsible for excellence of the 1964 **Tiger**. Into each school annual there must go hours of planning in order to meet the several deadlines which must be met during the year. There is very little glamour attached to the work of the editor and his staff. Assembling pictures, articles and art work calls for following an unrelenting schedule in addition to continuing vigilance to be certain that assignments in these areas are met by schedule.

Finally after a year of working on an organized and demanding schedule, the year-book appears. Almost before the editor and his staff have an opportunity to scan the results of their considerable labor, someone is certain to report an error, an omission or a negative opinion. Then the editor and staff face their most discouraging moments and find they must rise above what seems to be injustice and lack of appreciation until the final judgment, the thoughtful and understanding evaluation is made. This moment is the reward they deserve. For all time they have recorded the events of another Lick year. This is no small contribution to have made to the school's history.

This year this message offers praise and appreciation, long overdue, to the year-book editor and staff. And it come with heartfelt sincerity from an old year-book editor -- and I do mean old (Class of 1923!) -- who still remembers.

Over the silent sleeping breasts of morning
the fresh and barefoot breeze gently blows
Along the ridge sunlight like a timid child
reaches hesitantly touch the heavy grass

I am the breeze — my head is thrown back
laughing with sweet drunken delight
I am drunk with love
for the morning and the country hills

There is peace in the forests
and silence on the proud mountain
I am the pale swaying shoot
bending to grow with the sun

VARSITY FOOTBALL

Even though the Bengals had six returning All-Conference players they failed to win the B.C.L. crown. Instead, they finished up the season with a 4-2 record, good enough for a second place tie with Menlo.

With the faultless blocking and running of seniors Courtney, Gordon, Lederer, Madden, McClave, and McNeil, and juniors Richards, Rolf, Schiff and Ward, the Tigers played their hearts out, but met obstacles greater than they expected.

The finest game the team as a whole played this year was against S.R.M.A. With faultless blocking, playmaking and defense, the Tigers proceeded to overwhelm the "Bellhops" by a score of 24-13.

When this year's All-Conference team was named, only five Tigers made it. Courtney and Madden were named as tackles, Rolf and Ward in the backfield, and Richards rated honorable mention at center.

VARSITY BASKETBALL

The basketball team went through the B.C.L. this year by cutting down the opposition. However, they were thwarted in their bid to take the crown with an unblemished record. In the final game with Menlo, they were dropped from the unbeaten by two free-throws after the end of an overtime period and lost the heart breaker, 58-57.

They played an inspired brand of ball, and led by Langmaid, Simoni, and Richardson, they finished the season with a 21-5 season record. There were high spots throughout the season, such as Black's last second shot in the first Menlo game for the victory. Other high spots are Purmont's excellent rebounding and ball handling, as well as Langmaid's 57 points against S.R.M.A.

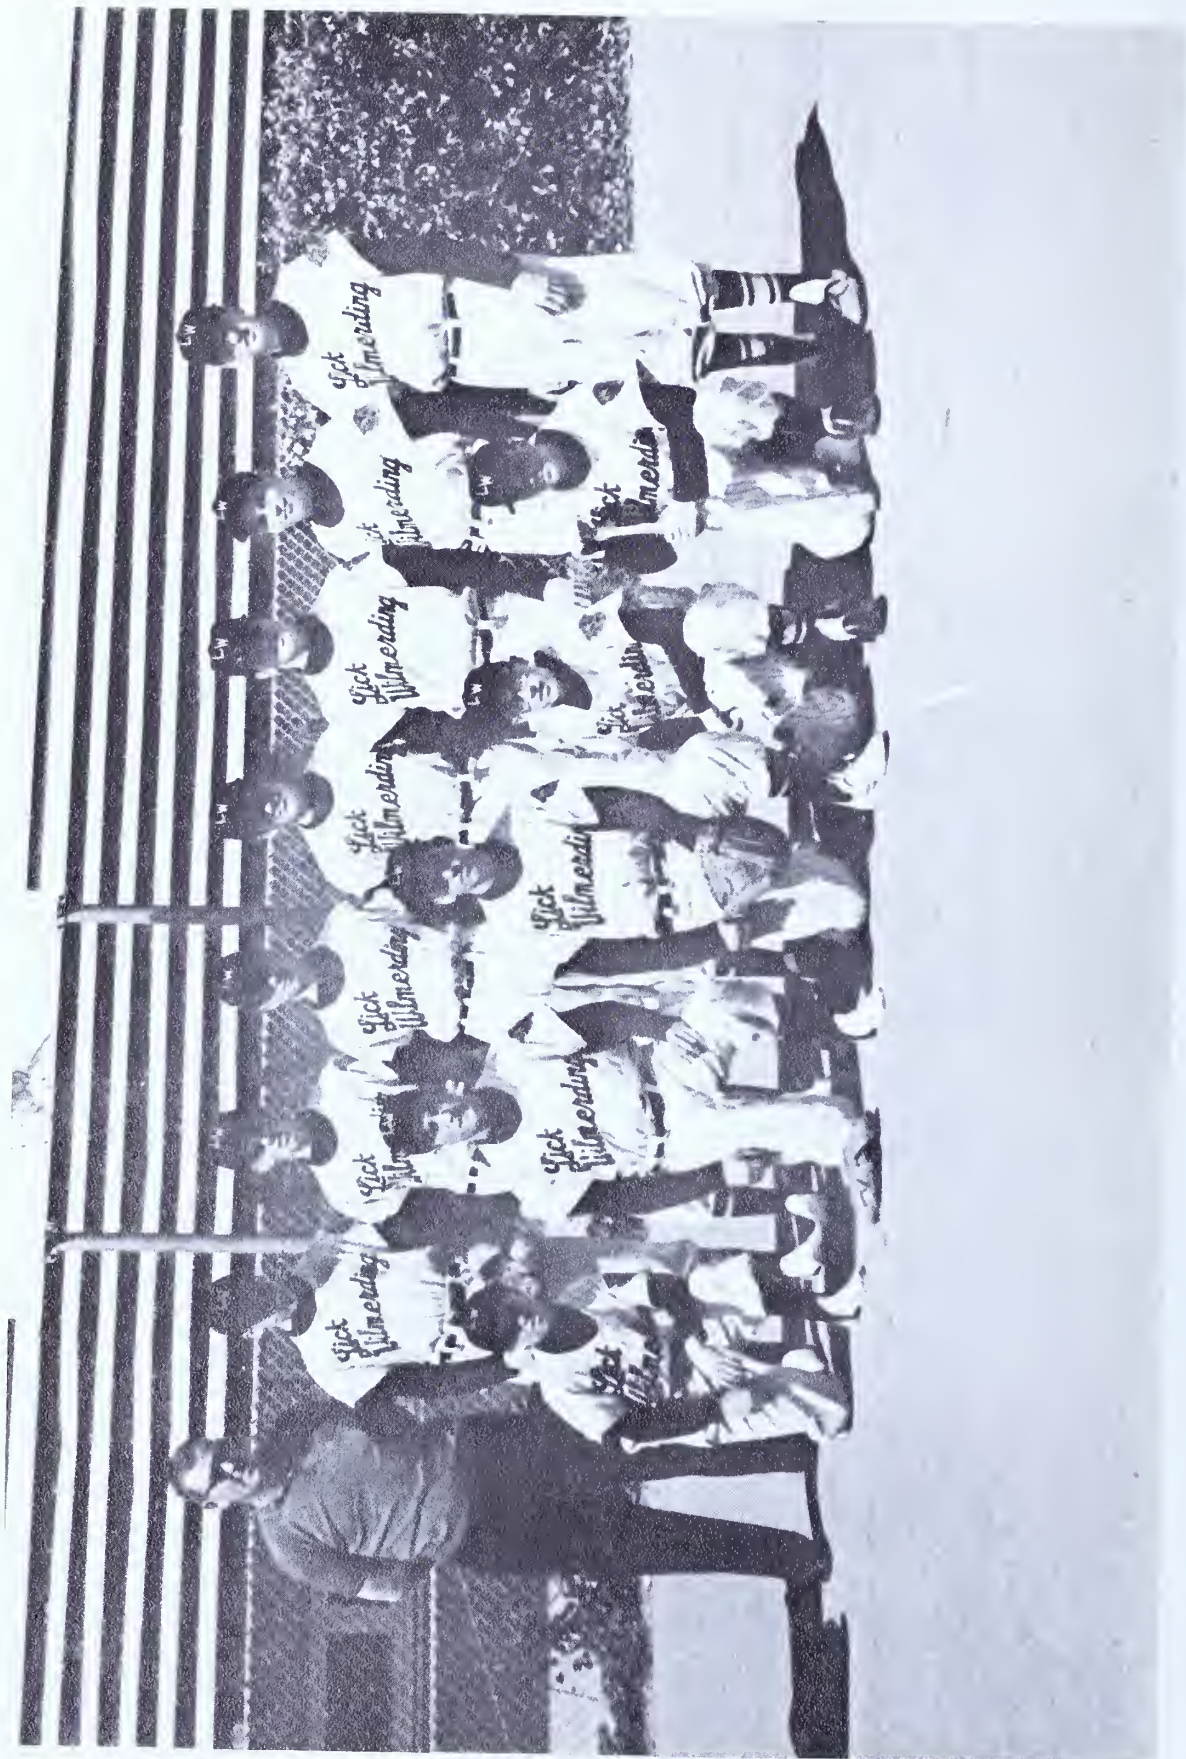

You name 'em -- they're your classmates!

VARSITY BASEBALL

After winning the B.C.L. crown last year, the Tigers seemed ready to start this year's season where they left off last year. With Courtney and Rohlf as the battery and a sprinkling of last year's lettermen, they seemed sure of finding themselves near the the top of the ladder this year. If hustle and determination are the key, the Tigers would again lead the league, but both fielding and batting have given them problems. With Courtney as the only serious threat to the opposing pitchers thus far, they haven't been able to push in the needed runs. At this time, it is hopeful that the Tigers will gather themselves together and make a run for the crown.

SWIMMING

This year's aqua-Tigers, under the watchful eyes of Coach Rolf Penn, hoped to make a run for the title against Menlo's perennially strong team. However, when they went down to Menlo for the showdown, they were trounced soundly. The only bright spots of the day were Smith's new school record for the 100 Fly and Bunting's new school record for the 100 Breast. Other strong performances came from Captain Phil Williams and Jim Madden.

It is hoped that the Aqua-Tigers will fare better against their other opponents and give Menlo a strong run for their money in the Conference.

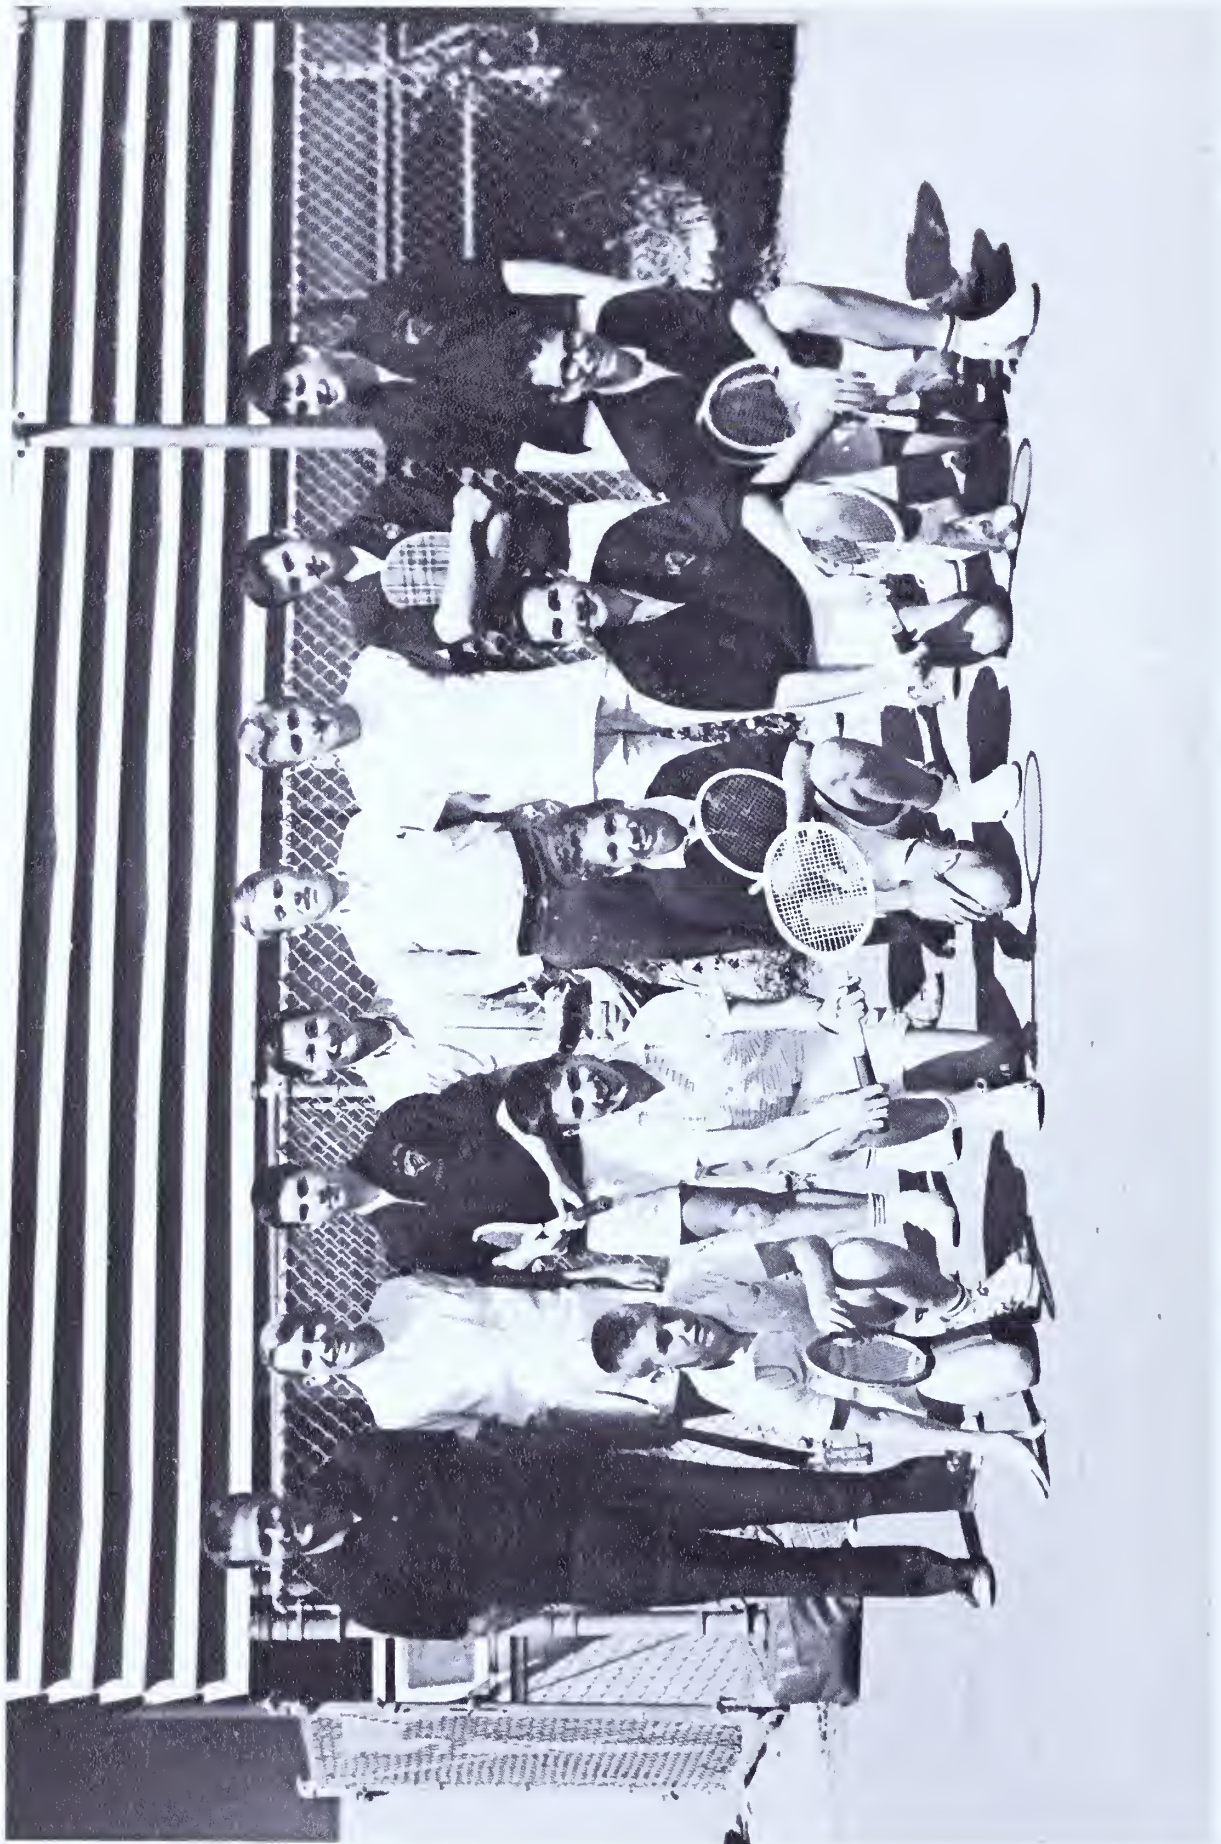

Standing: J. Cowan, M. Aiken, G. Bunting, J. Black, L. Susnow, W. Ashford, P. Mann, J. Madden, W. Wallace, P. Williams, R. Penn. **Kneeling:** M. Cozad, T. Sullivan, L. Goldner, E. Daube, M. Wiener, P. Haas, D. Gibbs, C. Forgeron, M. Smith.

TRACK

The track team, under the watchful eyes of Coach John Drocco, seemed ready for its tough schedule. The squad featured a promising flock of runners, both in the sprints and distance, as well as an experienced weight department. The team followed its usual pattern, though -- some fine individual efforts, but a poor team.

Standing: J. Drocco, D. Fowler, D. Reed, C. Root, E. Leonard, C. Cheek, J. Walsh, T. Ashley. **Kneeling:** G. Folin, E. Hintzpeter, S. Sale, G. Sultana, J. Pappas.

TENNIS

Lick's tennis team, coached by Mr. George Hall, is loaded with talent this year. With every member of last year's championship team returning, plus a crop of new players, they have a team well-balanced in depth and experience. The Lick netters entered the season knowing that they were number one in the league, and, with a little luck, they would have the satisfaction of finishing number one in Northern California. A look at the scores would certainly indicate this, as they defeated Lowell High School. This is the first time Lowell has been beaten in tennis in 36 years.

Standing: G. Hall, G. Pritzker, D. Rosenman, M. Yuill-Thornton, T. Macauley, S. Langmaid, J. Galgiani, J. Anders. **Kneeling:** R. Friedman, B. Costello, P. Youtz, A. Massie, A. Wilson. **Absent:** S. Saloman.

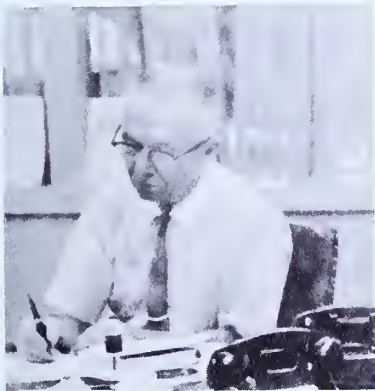

Farewell Dean!

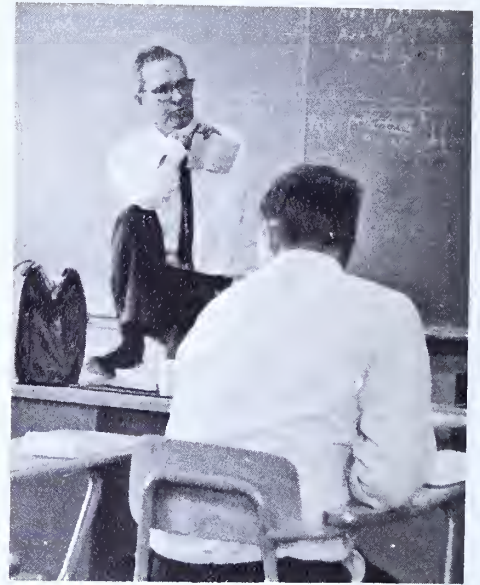

Any Lick student who has problems or is a problem goes to see the Dean. For many years the figure representing help and justice has been Mr. Joseph Pivernetz. The Dean irons out problems involving students and teachers and also helps students with their problems. It doesn't take long to realize that whether he is reprimanding a boy or counseling him, Mr. Pivernetz always has the well-being of the boy and the good of the school in mind.

It would be hard to find anyone as deeply interested in the school and the boys as Mr. Pivernetz. He has shown his interest through the care he takes to see that all seniors take college boards and submit applications to colleges. He checks the grades of every student in school, and calls in the boys who are not doing well and talks to them in hopes of helping them. But the Dean's interest in the boys does not stop when they leave the classroom. Mr. Pivernetz has been a familiar sight at Lick football games for many years, and he could always be counted on to be in the stands for a crucial basketball games.

Mr. Pivernetz has not been solely a spectator. He has actively worked for Lick in athletics as well as academics. He coached the football team from 1929 to 1939 and the baseball team from 1929 to 1949. He established crew at Lick in 1932 and climaxed Lick's crew history by coaching his shells to five victories in six races at the 1939 World's Fair.

But this is not meant to be a biography of our Dean. The object is to briefly touch upon his merits and deeply thank him for the many years he has "tried harder." As he is retiring this year, we hope he may always be aware of our gratitude which he certainly has earned.

Autographs.
